Catholic High School, Alcester

June 2022

RE: Transition

Dear Parent(s) and Carer(s),

I hope this letter finds you well. We are very much looking forward to welcoming you and your child to our school community for our Transition Day and Transition Evening. I write to you to confirm the arrangements for both of these Transition events at St Benedict's Catholic High School. On Wednesday 6th July 2022, all Year 6 students who are joining St Benedict's will participate in an induction day here at St Benedict's Catholic High School.

Students should arrive in their current primary school uniform for 9:15am. Upon arrival, they will be greeted by staff and directed to the Auditorium where they will participate in an assembly with our Headteacher, Mr Payton.

During the induction day students will meet their form tutor and Head of Year, tour the school, complete activities about themselves, other faiths, and the Commonwealth, and conclude the day with a Head of Year reflection. It is important that students bring with them a packed lunch, water bottle and any medication that is required. There will be no opportunity for students to purchase food on this day from the school canteen. The induction day will finish at 2:45pm.

On the evening of Wednesday 6th July, you and your son/daughter are invited to attend the Transition Evening presentation in the main hall starting at 6pm. The presentation will include important information about our school, uniform, "what Year 7 looks like" and the opportunity to meet some key staff who will support your child's education. Our uniform suppliers will also be available on the evening so that you can purchase uniform for September; we will also have a "Pre loved Uniform" stall to purchase second-hand items.

We look forward to welcoming you and your son/daughter to St Benedict's very soon. In the meantime, if there are any questions prior to the Transition events, please contact don't hesitate to contact transition@sbe.magnificat.org.uk.

Kind regards,

Matt Pettle
Assistant Headteacher
