#### Colour Spinner

<https://www.youtube.com/watch?v=bZ8PShMOXps>

As you are learning about colour groups and colour mixing making a colour spinner is fun and useful.

The link gives you all the instructions you need.

If you don't have the materials suggested you can use card from a cereal box. Also colour pencils are fine and sewing cotton for the string.

Send me a photo [sylvester.t@st-benedicts.org](mailto:sylvester.t@st-benedicts.org) of what you make and I'll give you a special positive on class charts.

Have fun!

What are artists creating during the lockdown?

How are artists contributing to supporting key workers?

Linked to your current theme of colour research the artist **Damien Hurst**.

Send me an image or describe Hurst's latest artwork and answer the questions.

You will be rewarded with a special positive on class charts!
